A full-body portrait of Stanley Tucker, a Black man with a shaved head, smiling warmly at the camera. He is wearing a dark grey suit jacket over a white button-down shirt, with a brown leather belt. A bright pink pocket square is visible in his jacket's breast pocket. He stands in a modern office environment with a white and black striped wall to his left and a desk with a red chair in the background to his right. The lighting is soft and professional.
